Dear Sir or Madame:

The following is a list of items that have previously been labeled as surplus as either being end of life, discontinued product, or no longer of use to the district but may have value to someone else, so we offer them up for the April public auction. All proceeds from auction will be directed to the district finance department per district policy. Thank you very much.

- 1) Stainless steel cafeteria counter.
- 2) (7) Round cafeteria tables.
- 3) Air compressor.
- 4) John Deere X700 lawn tractor
- 5) Three pallets of miscellaneous HVAC parts
- 6) Two Trane HVAC units
- 7) Aeon air handler unit
- 8) Two Aeon condensing units
- 9) Three Aeon air handler units

A handwritten signature in black ink that reads "Jonathan Mason". The signature is written in a cursive style with a large, looping initial "J".
