### MEMO

TO: Keith Davis, Superintendent

FROM: Mark Mitchell, Director of Building & Grounds *mm*

DATE: March 27, 2018

RE: Board Agenda Item – First Renewal of Contract for Fire Extinguisher Inspections, Fire Alarm Inspections and Sprinkler Inspections

After consultation with Aaron Jarrell, owner of ProFire Extinguishment, I am asking the Board's permission to renew the contract for the fire extinguisher inspections, fire alarm inspections and sprinkler inspections during the 2018-19 school year.

Last year, the Board awarded the bid to ProFire Extinguishment for these services. ProFire Extinguishment has agreed to continue services at the same rates as the bid price. The requested budget amount to cover the cost of these services as well as any repairs that are determined during inspection totals \$35,000. These services are required annually by the State Fire Marshal.

I recommend the Board approve the request to renew the contract with ProFire Extinguishment for the fire extinguisher inspections, fire alarm inspections and sprinkler inspections during the 2018-19 school year.

RE: 2018 Inspections

Dear Mr. Mitchell,

Please use this letter as our intent to offer the same services we performed in 2017 at the same contractual pricing. We appreciate the opportunities and look forward to assisting you in 2018.

Thank you,

Aaron G Jarrell, President  
Pro Fire Extinguishment, Inc.
