RE: Board Agenda Item – Final Renewal of Contract for Janitorial Supplies  
Allied Cleaning Solutions

After consultation with Bill Gray, president of Allied Cleaning Solutions, I am asking the Board's permission to renew the awarded portion of the Janitorial Supplies bid for the 2018-19 school year.

Last year, the Board renewed the contract for the stripper, wax and associated products with the option to renew for one, additional year. Mr. Gray has agreed to continue servicing the district at no additional cost.

I recommend the Board approve the final renewal of the awarded portion of the Janitorial Supplies bid for the 2018-19 school year.
