RE: Board Agenda Item – Final Renewal of Contract for Grass Mowing and Trimming Services

After consultation with David Bischoff, owner of Bischoff Lawn Maintenance, I am asking the Board's permission to renew the grass mowing and trimming services bid for the 2018-19 school year.

Last year, the Board approved the first renewal of the contract to Bischoff Lawn Maintenance. Mr. Bischoff has agreed to continue the grass mowing services at no additional cost to the district.

I recommend the Board approve the final renewal of the contract for Grass Mowing Services with Bischoff Lawn Maintenance.
