RE: Board Agenda Item – Cougar Paws – Bullitt Central High School

Presented for Board approval is a request from Mr. Erik Huber to paint cougar paw prints along the car rider line and drive leading back to the football field.

Mr. Huber believes this will improve the culture of the building by making BCHS more welcoming and increase student pride. BCHS will pay for the paint out of SBDM funds and staff has volunteered to paint the cougar paws.

I recommend the Board approve the request from Mr. Erik Huber to paint cougar paw prints along the car rider line and drive leading back to the football field.
