RE: Inactive Savings Accounts

As of April 10, 2018, the District has an account in the name of Bullitt County Public Schools—Savings Bond in the amount of \$2,072.38 and an account in the name of Bullitt County Public Schools—Scholarship in the amount of \$2,391.34. Based on a review, the accounts appear to be donated funds to the district; however, no formal documentation is available due to the age of the accounts. The accounts are inactive.

I recommend the two savings accounts be closed and the funds remitted to the Irene Carroll Scholarship Fund. This would allow the funds to be disbursed in the form of a scholarship.

*OK for April*
