RE: Board Agenda Item – First Renewal of Contract for Parking Lot Sealing and Striping

After consultation with Steve Yochum, owner of SealPro Coatings, I am asking the Board's permission to renew the contract for parking lot sealing and striping for the 2018-19 school year.

Last year, the Board awarded the bid from SealPro Coatings. The tentative schedule for the 2018-19 school year is listed below for your review. Bullitt Lick Middle School was slated to be in the rotation; however, the school is under renovation and the majority of the parking lot will be replaced. Roby Elementary will take the place of Bullitt Lick Middle School in the rotation. The requested budget amount to cover the cost of sealing and striping totals \$57,046.00.

- Roby Elementary School
- Zoneton Middle School
- Shepherdsville Elementary School
- Freedom Elementary School
- Mt. Washington Middle School

I recommend the Board approve the request to renew the contract with SealPro Coatings for parking lot sealing and striping for the 2018-19 school year.

As an authorized representative of Seal Pro Coatings I would like to continue to provide the school district with pavement maintenance services through the 2018-2019 school year. Services include, but are not limited to: asphalt sealing, crack filling, line striping, and asphalt repair. Pricing for such services will remain steady at the same rates as the 2017-2018 school year contract. If you have any questions or need additional information please do not hesitate to contact me at the office or on my cell (502) 417 – 2883.

Sincerely

Steve Yochum,
Sales Manager
