JHHS ATHLETIC IMPROVEMENTS (BG# 17-111)

The contractor is working to complete the limited remaining work items. The recent weather conditions have impacted the ability to perform some of the final work. The end of the week of April 9th looks favorable to complete the site items. Remaining work items include the following:

- Final painting of the media towers.
- Door hardware adjustments.
- Final finish grade/dressing and seeding.

Payment application #6 has been submitted by JRA to HCS for processing. All remaining retainage will be held until all items punch items are complete.

No Action Items are included on tonight's agenda.
