Date: April 10th, 2018

Re: Request to Accept Oil & Lubricant Bids

On April 9th at 11:00 a.m. the bid opening for Motor Oil & Lubricants was held. Two companies submitted bids with the required paperwork attached. I am requesting the Board accept the following bids for the 2018-2019 school year:

Valor Oil

CJ-4 oil, motor oil, transmission fluid, hydraulic oil, gear oil, anti-freeze (purple) diesel exhaust fluid (DEF), grease, synthetic transmission fluid, windshield wiper fluid, and power steering fluid.

Key Oil

Green Anti-freeze.

These bids may be renewed by mutual agreement two additional one year periods. These companies will allow the Board to receive the lowest possible prices for our needs. The bids awarded to each company are highlighted on the attached tabulation sheet.

Attachment

OK to April
B. Syton
