Re: 2017-2018 Amended School Calendar

This is a request for the Board to approve the amended 2017-2018 school calendar. The requirements for the student instructional year, one thousand sixty-two (1,062) hours of instructional time for students delivered on one hundred seventy (170) student attendance days will be met as required by KRS 158.070(1)(f). The amended calendar will be submitted to the Kentucky Department of Education by June 30, as required by 702 KAR 7:140(2)(3). As the result of inclement weather school was cancelled on January 8, 12, 16, 17, 18; February 12, 26, 27; and March 21. School was closed April 13, an emergency, due to insufficient number of substitute teachers. The makeup days are March 2; May 30, 31; and June 1, 4, 5, 6, 7, and 8. School was delayed one hour February 27, for flooding and delayed 2 hours March 12, for weather. The district is not required to make up the 3 hours missed as a result of student attendance days shortened due to emergency, less than 5 hours, as per 702 KAR 7:140(3)(2). The last day for students is June 8, and Closing Day for teachers is June 11. June 12 is a Professional Development Day because a Professional Development Day built into the original 2017-2018 school calendar was used as a make-up day. Please see the attached 2017-2018 amended school calendar.
