	Utility Markout using ground penetrating radar (350, 400 or 450MHz antenna), electromagnetic, and/or sonde locating equipment for the designated areas -assuming local one call to be notified atleast 48 hours prior to our arrival -May not be able to locate sewers depending on size and access. Included equipment can locate sewers up to approximately 8"-10". If larger, a tractor camera maybe needed which is NOT included in this price. -If utilities are non-metallic and tracer wires/tape are not installed, all efforts will be made to locate these items with ground penetrating radar (GPR) and/or locating sondes, but results cannot be guaranteed. - GPR is limited by high-conductivity materials such as clay, rocky, and salt contaminated soils. It also needs a fairly open and flat area to conduct the survey. How deep and what utilities, UST's, voids, ect you will see depends on these factors. Sandy and dry soils are ideal -All utilities located will be indicated on the ground with marking flags and/or paint as per the national color code.

6. **STANDARD OF CARE**: Consultant and its agents, employees and subcontractors shall endeavor to perform the Services for Client with that degree of care and skill ordinarily exercised, under similar circumstances, by consultants practicing in the same discipline at the same time and location. In the event any portion of the Services fails to substantially comply with this standard of care obligation and Consultant is promptly notified in writing prior to one year after completion of such portion of the Services, Consultant will re-perform such portion of the Services, or if re-performance is impractical, Consultant will refund the amount of compensation paid to Consultant for such portion of the Services. CONSULTANT MAKES NO WARRANTIES OR GUARANTEES, EXPRESS OR IMPLIED, RELATING TO CONSULTANT'S SERVICES AND CONSULTANT DISCLAIMS ANY IMPLIED WARRANTIES OR WARRANTIES IMPOSED BY LAW, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
7. **LIMITATION OF LIABILITY**: Client agrees that Consultant's services will not subject Consultant's individual employees, officers or directors to any personal liability, and that notwithstanding any other provision of this agreement, Client agrees that its sole and exclusive remedy shall be to direct or assert any claim, demand, or suit only against Consultant. Statements made in Consultant's reports are opinions based upon engineering judgment and are not to be construed as representations of fact. Files shall be maintained in general accordance with Consultant's document retention policies and practices.
10. **SAFETY:** Consultant is solely responsible for the safety and health of Consultant's employees. Consultant shall take necessary precautions for the safety of its employees. Consultant specifically disclaims any authority or responsibility for general job safety and for the safety of persons who are not employed by Consultant. Any certification by Consultant is limited to an expression of professional opinion based upon the Services performed by the Consultant, and does not constitute a warranty or guarantee, either expressed or implied.

Client waives any claim against Consultant and will indemnify and hold Consultant harmless from any claim, injury or loss arising from the discovery of unforeseen hazardous substances.
18. **FORCE MAJEURE**: Consultant shall not be deemed to be in default of this Agreement to the extent that any delay or failure in the performance of the Scope of Work results from any causes beyond its reasonable control.

For this purpose, such acts or events shall include, but are not limited to, storms, floods, unusually severe weather, epidemics, civil disturbances, war, riot, strikes, lockouts or other industrial disturbances, and the inability within reasonable diligence to supply personnel, equipment, information or material to the Project. No amendment or modification to this Agreement or any waiver of any provisions hereof shall be effective unless in writing, signed by both Parties. If any part of this subcontract is found to be unenforceable, then the parties' intent is to have such part rewritten to attain as close as possible the original intent of the unenforceable provision.

25. **TIME BAR:** Notwithstanding any applicable state statute of repose or statute of limitation, the Parties agree that all legal actions by either party against the other concerning this Agreement or the work performed in relation to this Agreement, will become barred two (2) years from the time the party knew or should have known of the claim, or two (2) years after completion of Consultant's services, whichever occurs earlier.
