

# Overnight trip

Board of Education,

I am writing this letter to ask for permission to take a group of 7 FFA Members to Hardinsburg, Kentucky for FFA camp. We will be gone June 18th-22nd. The students are attending camp to connect with other FFA members around the state. They will learn valuable leadership skills, training for their positions, they will be networking, and they will be bonding as a team. This opportunity is a wonderful experience that I think my students should be able to attend.

Sincerely,  
Brooke Darnell  
FFA Advisor
