Dear Mr. Buresh:

At the April 17, 2018 Board meeting our Board authorized David Denton to appoint a representative and an alternate representative to KyMEA. David has appointed the Interim General Manager as FPB's representative to KyMEA. This is, David Denton is FPB's representative. David has appointed Vent Foster as FPB's alternate representative to KyMEA.

Could you arrange for FPB staff to access the KyMEA Board portal? We look forward to seeing you at the next meeting.
