WITNESSETH:

WHEREAS, the Board desires to procure the particular services of Contractor, which are more fully defined below; and

WHEREAS, Contractor has held itself out to be competent and capable of performing the services contracted for herein;

NOW, THEREFORE, in consideration of the mutual promises and agreements hereinafter set forth, the Board and Contractor (hereinafter "Parties") agree as follows:

ARTICLE I

Entire Agreement; Amendments

This Contract is the entire agreement between the Parties and supersedes any and all agreements, representations and negotiations, either oral or written, between the Parties before the effective date of this Contract. This Contract may not be amended or modified except in writing as provided in Article VIII. This Contract is supplemented by the Board's Procurement Regulations currently in effect (hereinafter "Regulations") that are incorporated by reference into and made a part of this Contract. In the event of a conflict between any provision of this Contract and any provisions of the Regulations, the Regulations shall prevail.

ARTICLE II

Services

Contractor agrees to perform the following services (hereinafter "Services") of a quality and in a manner that is within the highest standards of Contractor's profession or business. The Services are as follows:

Contractor shall provide a 3-day Project Based Learning (PBL) 101 workshop (Workshop). The Workshop shall be presented to up to 35 certified staff members at J. Graham Brown School on 6/4/18-6/6/18. The Workshop shall provide participants with the skills and knowledge needed to design, assess, and manage rigorous, relevant, and embedded standards-based projects. Participants shall be actively engaged in project design, with the expectation that every participant will generate a project plan that receives formative feedback from both participants and the Contractor's National Faculty. The Board shall have the sole right to select the Workshop participants. All participants shall receive a free copy of the Contractor's PBL 101 Workbook.

Notwithstanding Article IX, if the Board cancels or reschedules the Workshop within 30 days or less of the scheduled date of the Workshop, the Board shall be liable to pay any reasonable travel expenses already incurred by the Contractor in preparation for such Workshop, provided Contractor supplies to the Board copies of receipts for such expenses.

The Board shall not record (on audio or video) the presentations made by Contractor during the Workshop.

Notwithstanding Article XII, the Board acknowledges that the Contractor is the sole copyright owner of copyrighted materials used in the Workshop. The Contractor shall retain exclusive copyrights to all its existing written and audiovisual materials provided in the Workshop. The Board shall retain exclusive copyrights to all written material, including but not limited to project design blueprints developed by participants during the Workshop. The Board may not reproduce any materials of Contractor not designated reproducible without the express written permission of Contractor.

Contractor and Board agree that the Contractor will assign an appropriately trained and experienced primary presenter, a "National Faculty" designee, for the Workshop described in this Contract. Contractor will be solely responsible for payment of his/her compensation. National Faculty members are not employees of Contractor. When assigned to a particular project, a National Faculty member serves in the capacity of an independent contractor to Contractor. The person(s) assigned by the Contractor to act as presenter of the Contractor's materials under this contract is not an agent of the Contractor and has no authority to modify the terms and provisions of this Contract on behalf of the Contractor, or to bind Contractor to provide any additional materials or services related to this Contract which are not specified in this contract. Notwithstanding the foregoing, Contractor is solely responsible for his/her conduct, manner, and actions in presentation of Contractor's materials under this contract.

Contractor also agrees to hold harmless, indemnify, and defend the Board and its members, agents, and employees from any and all claims or losses incurred by any supplier, contractor, or subcontractor furnishing work, services, or materials to Contractor in connection with the performance of this Contract. This provision survives termination of this Contract.

Unless waived in writing by the Contract Administrator, Contractor shall maintain during the term of this Contract policies of primary insurance covering the following risks and in at least the following amounts: commercial general liability, including bodily injury, property damage, personal injury, products and completed operations, and contractual, \$1,000,000; and automobile liability, \$1,000,000. identity, gender expression, veteran status, genetic information, or disability. If the Contract Amount is paid from federal funds, this Contract is subject to Executive Order 11246 of September 24, 1965 and in such event the Equal Opportunity Clause set forth in 41 Code of Federal Regulations 60-1.4 is hereby incorporated by reference into this Contract as if set forth in full herein.

ARTICLE VII Prohibition of Conflicts of Interest

It shall be a breach of this Contract for Contractor to commit any act which is a violation of the provisions of Article XI of the Regulations entitled "Ethics and Standards of Conduct," or to assist or participate in or knowingly benefit from any act by any employee of the Board which is a violation of such provisions.

ARTICLE VIII Changes

The Board and Contractor may at any time, by mutual agreement set forth in a written addendum, make changes in the definition of the Services; the scope of the Services; and the Contract Amount. The Contract Administrator and Contractor may, at any time, by mutual agreement set forth in a written addendum, make changes in the time within which the Services are to be performed; the schedule of Progress Payments; and mutual Termination of the Contract.

ARTICLE IX Termination for Convenience of the Board

The Board may terminate this Contract in whole or in part at any time by giving written notice to Contractor of such termination and specifying the effective date thereof, at least thirty (30) days before the specified effective date. The Board shall compensate Contractor for Services satisfactorily performed through the effective date of termination.

ARTICLE X Termination for Default

The Board may, by written notice of default to Contractor, terminate the whole or any part of this Contract, if Contractor breaches any provision of this Contract, or so fails to make progress as to endanger performance of this Contract, and in either of these circumstances, does not cure the breach or failure within a period of five (5) days after receipt of notice specifying the breach or failure. In the event of termination for default, the Board may secure the required services from another contractor. If the cost to the Board exceeds the cost of obtaining the Services under this Contract, Contractor shall pay the additional cost. The rights and remedies of the Board provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

ARTICLE XI Disputes

Any differences or disagreements arising between the Parties concerning the rights or liabilities under this Contract, or any modifying instrument entered into under Article VIII of this Contract, shall be resolved through the procedures set out in the Regulations.

ARTICLE XII
Contractor's Work Product

Unless waived in writing by the Contract Administrator, the Board shall retain ownership in and the rights to any reports, research data, creative works, designs, recordings, graphical representations or other works of a similar nature (hereinafter "Works") produced or delivered by Contractor under this Contract. Contractor agrees that the Works are "works for hire" and Contractor assigns all right, title and interest in the Works to the Board.

Any reports, information, data, etc. given to or prepared or assembled by Contractor under this Contract shall not be made available to any individual or organization by Contractor without the prior written approval of the Board. Provided, nothing in this Article may be used to violate the provisions of any Kentucky or Federal statute or regulation which requires reporting of information.

ARTICLE XIII

The Board shall appoint a Contract Administrator for the purposes of daily administrative decision-making pertaining to the Contract. If Contractor and the Contract Administrator disagree on any circumstance or set of facts pertaining to the administration or execution of this Contract, the Board shall resolve the matter after notification by either the Contract Administrator or the Contractor in the manner prescribed by the Regulations. If the Board fails to give notice to Contractor of the appointment of a Contract Administrator, the Contract Administrator shall be the Board's Chief Financial Officer.

ARTICLE XIV

The Board shall have the right to inspect and audit all accounting reports, books or records which concern the performance of the Services.
