

DECLARATION FOR EMERGENCY CERTIFICATION

The Superintendent of the Jefferson County Public Schools and the Jefferson County Board of Education do hereby make the following declaration regarding Emergency Certification for Teachers, in the event that:

1. No qualified teachers have applied for vacant positions; and to our knowledge, qualified teachers are not available for these positions; and
2. Diligent efforts have been made to recruit qualified teachers for the vacant positions; and furthermore, these vacancies have been made known locally by appropriate means; and
3. The Jefferson County Public School District has been unsuccessful in recruiting teachers for the vacant positions either from the listing of teachers supplied by the Kentucky Department of Education or by means of the placement services of the teacher education institutions;

The Jefferson County Public School District will apply for Emergency Teacher Certification with the Education Professional Standards Board during the 2018-2019 school year at such time it becomes necessary.
