**Information Agenda Item:** Extend employee contracts of 1 cook per feeding site to provide meal service and 1 cafeteria manager/cook per feeding site to provide oversight for the 2018 Summer Feeding Program.

**Applicable Statute or Regulation:** KRS 162.90 Powers and duties of the local board.

**Fiscal/Budgetary Impact:** All costs for the Summer Feeding Program will come through reimbursement funds generated by the program.

**History/Background:** Floyd County Schools will implement a Summer Feeding Program at various schools based on Summer Camps and programs, from June 11<sup>th</sup> to July 27<sup>th</sup>. The dates vary based on the anticipated need and participation at each site. For operational and compliance reasons, we have planned for each site to have an individual present to oversee operations and to ensure proper procedures are followed. The most cost effective and efficient way to provide this oversight is through adding additional days to employee contracts. School nutrition staff would complete current contracts prior to utilizing any contract extensions.

**Recommended Action:** Approve as recommended.
