PROFESSIONAL DEVELOPMENT

- The tentative Professional Learning Plan for 2018 – 2019 is attached.
- MS/HS teachers will be coming in over the summer to align curriculum documents and develop/refine assessments. LES teachers will be completing this at one of the end of the year teacher work days in which teachers will be creating writing timelines and assessments.
- I am working with the Great Book Foundation to host another Junior Great Books Training at Dayton Schools.

ASSESSMENT

- KPREP testing has been completed and the testing materials have been shipped!

CURRICULUM/INSTRUCTION

- Refining curriculum is a continuous process. A focus again next year for early release will be analyzing summative assessments during early release
