2018 Summer Feeding Program

Breathitt County Schools will be operating the 2018 Summer Feeding Program and have sponsored this program for many years with great success and community participation. Breakfast and lunch will be served daily at identified sites and times free of charge to children 18 or younger. Projected plans for this program are in the early stages but currently include the following:

- Several potential countywide sites for food distribution; including but not limited to the following:
 - Breathitt County High School
 - Sebastian Middle School
 - Highland Turner Elementary School
 - Marie Roberts – Caney Elementary School
 - Various Churches & Vacation Bible Schools
- These sites are subject to change.
- Projected dates of program – **June 4th – July 27th**.
 - No feeding on July 4th
- Several Cook/Bakers will be required to operate this program and will be determined by the Food Service Director. These people will be paid extra funds from the food service account in addition to their regular contract.

Any suggestions are welcome. Please direct your questions or comments to:
