| <b>Description of Needs Assessment</b>      | <ul style="list-style-type: none"> <li>• Bullitt Central High School will continue to focus on refining PLC work. The major focuses in PLCs will be creating new and effective pacing guides, creating new and effective lesson plans, and creating new and effective common assessments that are aligned with standards. Bullitt Central has partnered with Solution Tree and will continue to receive on going trainings and resources to improve our PLC process.</li> <li>• Bullitt Central High School staff will continue with plans to improve school culture by empowering teachers with opportunities to lead professional development, participating in team building, participate as mentors for new teacher induction program, and a focused redesign of our PBIS strategies.</li> <li>• Instructional strategies and congruency with standards remains a focus as well in keeping staff in line with latest instructional improvements. Thinking Strategies and Best Practices for teaching at risk students.</li> </ul> |  |
| <b>Description of Planning Process</b>      | Strategies and activities for the professional development plan were based on needs identified in the Continuous School Improvement Plan, through ideas generated in Professional Learning Communities, based on input and ideas from faculty, and the administrative leadership team. All activities meet the rigor of high quality professional development and focus on improving student achievement.   |  |

**Plan Due to Central Office: May 1, 2018**
