Consent Item: Consider/Approve Revising (effective May 1, 2018) local site-based decision making allocation formula for grades 6,7,8 to a minimum of 5.5 certified staff per school or 25 to 1 student/teacher ratio, whichever generates the most staff.

Applicable Statute or Regulation: BOE Policy 01.11, 702 KAR 3:246 (4)

Budgetary Impact: Required per KY Administration Regulation. Current policy revision will result in 2.1 additional positions.

Background and Major Policy Implications: Current staffing formulas did not generate enough staff to cover the basic curriculum for grades 6,7,8 at one of our schools. It is believed that a minimum number of staff must be allocated to meet the needs of all students. The proposed revisions will create a minimum number of certified staff at this school.

Recommended Action: Approve as presented.
