JH moved to come out of closed session, LJ seconded.

Interviews for assistant principal position will be held Monday, March 5 at 3:30 PM.

VI. Guided Reading and IPAD purchases and decisions

ER, Serena is helping us build a K-2 Guided Reading library. We need to purchase the rest of the leveled readers to complete the set. Also purchasing mini readers for students to take home. Purchasing Fountas and Pinell assessment Benchmark kit. We will be using the Jan Richardson Guided Reading model. Refer to budget for GR spending.

The IPAD cart is a mess. Teachers do not have enough devices in their classroom to provide reading technology in the classroom. We will bust up the IMAC labs so K-2 has 6 devices per room. We need 5 more to finish that out.

VII. FRYSC Continuation Plan

Genevieve Swango presented the FRYSC budget including surveys from families detailing the families that are served by FRYSC. The FRYSC provides many services to the students in our school such as clothing, school supplies, and various support groups for grandparents raising grandchildren and single parent families as well as new parents.

MR moved to approve, DC seconded.
