

Proposed Grant Information

School: North & South Middle

Date: May 14, 2018

Grant Award Amount: \$3,093

Contact: Rusty Bargo

Describe the purpose/intent of the grant. Include the grant funding source. How long will the grant be in force?

The Preston Family Foundation grant request is to purchase batteries, wiring and a VCR Turning Point game which will be used to develop teams for future robotic competition participation. This is a one time grant.

Describe the components/work/salary/materials the grant will pay for. What is the time frame of the grant? Be specific.

The grant will pay for the VCR Turning Point Game (materials and supplies = \$1,093) and consumable batteries, wiring, cables and VEX keys (\$2,000).

What components/work/salary/materials will the grant not pay for that will be necessary for the district to incur? Be specific.

There are no district funds to be incurred.

How will the grant be sustained? List potential ideas for the sustainability of the grant initiatives.

The Gateway To Technology, which has little or no funding, has relied on grant funds to help provide the consumable materials needed for student engagement. The instructor is looking for other grants to help sustain the program.

Proposed Grant Information

School: TBJELC

Date: May 14, 2018

Grant Award Amount: \$50,000

Contact: Ginger Ashby

Describe the purpose/intent of the grant. Include the grant funding source. How long will the grant be in force?

The Preston Family Foundation request is for funding to provide 16 Scholarships to students of our "working poor" families who don't qualify for free enrollment but can't afford the tuition costs.

Describe the components/work/salary/materials the grant will pay for. What is the time frame of the grant? Be specific.

The grant funds will pay for 16 students at a cost of \$1,540 each for the 2019-19 school year. The remaining \$25,000 will go into the endowment funds for "Gigi's Kids" for the third year so that future scholarship funds will come from the endowment.

What components/work/salary/materials will the grant not pay for that will be necessary for the district to incur? Be specific.

There are no expenses to be incurred by the district.

How will the grant be sustained? List potential ideas for the sustainability of the grant initiatives.

This is the third year for the Scholarship request with the last two requests granted. The continuing funding not only for the year's tuition but also the funding going into the endowment will help with sustainability of this program as the endowment goal is to be self-sustaining.
