Floyd County Board of Education Issue Paper

Consent Agenda Item (Action Item):

To allow the Betsy Layne Elementary 8th graders, who meet all policy and procedure criteria, to travel by district buses to King's Island in Mason, Ohio on Friday, June 8, 2018 (if we miss more school, then the alternate date would be Friday, June 15).

Applicable Statute(s), Regulations(s), Board Policy/Procedure(s) and/or Consolidated Plan Activity:

Board Policy 09.3; Policy 09.36

Fiscal/Budgetary Impact:

The school will cover the cost of park admission and meals for students.

History/Background:

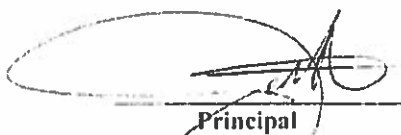

- Program Review Standard I: Curriculum and Instruction encourages quality student field trips.
- Traditionally, BLES has taken incentive-type field trips after the school year is over. Kings Island is in Mason, Ohio. This will be an incentive/reward trip for our 8th graders who have met all policy and criteria requirements set by the school's SBDM policies. Transportation will be provided by district transportation (school buses)
- Students will be exposed to theatrical productions, various types of arts/music and learning experiences along with cultural activities and animal habitat exhibitions.

Recommendation & Rationale:

The nature of this trip is to offer 8th graders that have met all policy and procedural requirements to participate in this trip as an incentive for 8th graders.
