RE: Local Planning Committee

Dear Mr. Lewis;

I would like to nominate Michael S. Childers, P.E. for the Local Planning Committee. Michael, a Louisville native, moved to Elizabethtown in 2001 and opened a structural engineering firm in this area in 2005. Michael's engineering background and community involvement positions him to be the best candidate for the committee. His construction knowledge and professional experience concerning building, design, architectural & engineering will prove invaluable for this and any other endeavors undertaken by the Hardin County Board of Education.

Michael has a true passion for service in this community as reflected in his current involvement in the Hardin County AM Rotary Club, Elizabethtown-Hardin County Chamber of Commerce, his Group Leadership roll for Hardin County Repair Affair and is member of Northside Baptist Church where he serves as Chairperson of the Long Range Planning Team. Michael's previous community outreach programs involve being a member of the Board of Director's for Crossway Pregnancy Resource Center and a Coordinator for a bike drive through the AM Rotary Club which benefited Helping Hand of Hardin County.

Also attached for your review is a qualifications letter.

Please feel free to give me a call should any questions arise.

Thank you,
