What Outstanding Work (W.O.W.) Award

Sheryl Fischer **Simon Kenton High School**

I am nominating my daughter's teacher Sheryl Fischer at Simon Kenton High School for her exemplary teaching. She has gone above and beyond to ensure my daughter and her classmates are knowledgeable of AP biology concepts. She has stayed after school many days and hours during the school year to ensure students are comfortable with the material taught. Over the past couple of weeks she has stayed after school every day and has taken extra time away from her own family to spend time working with the kids prior to the AP test on May 14th. She was even at the school on Saturday (the day before Mother's Day) evening until after 8pm working with any of the kids who wanted extra help prior to the test on Monday. Mrs. Fischer even got up extra early Monday, May 14th and prepared breakfast for the kids- 3 kinds of pancakes, fruit, breakfast meats, muffins, milk, etc. My daughter was so excited. Hayley was very appreciative of the time Mrs. Fischer spent working with her and her classmates. Hayley said, "Mom, Mrs. Fischer spent a lot of time and her own money doing this for us. A lot of teachers wouldn't have done this". She is also a mentor and friend to all students. Hayley is very comfortable approaching her with any questions that she may have. Many teachers are not as open and approachable. I just wanted you to know that this teacher is making a difference in the classroom and the world, and I am very appreciative of Mrs. Fischer and her selflessness for the students of Simon Kenton.
