RE: REQUEST FOR SOUTHCARES DAYCARE DAILY FEE INCREASE

Dear Mr. Zimmerman & Livingston County Board of Education:

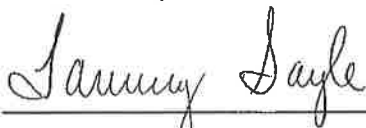

In May 2018, three Day Cares in Paducah, KY were contacted to compare daily rates. Two of the Day Cares charge \$30.00 a day and the third Day Care charges \$28.00 a day with no half day options.

Due to the rising cost of doing business we request to raise our daily rates this year, beginning on August 1, 2018.

We request our daily rates go up from \$20/per full day to \$25/per full day and from \$14/per half day to \$15/per half day.

As an incentive, children of daycare employees currently pay half of daily rates. We request these incentives go up from \$10/per full day to \$14.00 per full day and from \$7/per half day to \$10/per half day.

Thank You,

RE: SouthCARES Day Care National Background Check

Dear Mr. Zimmerman & Livingston County Board of Education:

Effective immediately, we request that all future employees interested in working in Day Care must pay the current \$62.00 fee for a National Background Check. A check, money order, or cashier's check of \$62.00 must be made to the Livingston County BOE/SouthCARES Day Care.

We feel that new Day Care employees will be more vested in Day Care employment.

Thank You,
