PROPOSAL

May 23, 2018

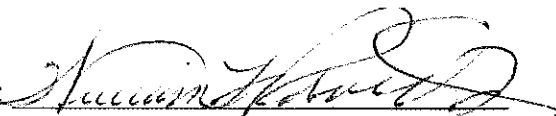

Troy Winder
Todd County Schools
Elkton, KY

Re: Todd County Middle School

- Abate, transport and dispose of 9X9 asbestos floor tile and mastic in File Storage (former Financial Room), Nurse Station, (1) Boiler Equipment Room, (2) Electrical Equipment Room, Room 32, Room 30, Administrative Men's Room & Women's Room.
- Provide all materials, labor & equipment to perform abatement work
- Work will be performed under negative pressure and in containment
- Perform air monitoring for Personals, Abatement & Clearance
- All work will be performed to comply with Federal, State & Local rules and regulations using AHERA protocol
- Owner to furnish water and electricity to perform abatement work
- Owner to remove all equipment, furniture & any fixtures (if obstructing work) from the rooms to provide access to floor
- All waste will be disposed at a regulated landfill with manifest of disposal returned to owner

Total ----- \$ 19,500.00
(Nineteen thousand five hundred & No/100 Dollars)

Thank you
