

Opportunity and Access Metric Example

REQUIRED MEASURES CONTRIBUTING TO THE RATING																																		
Each numbered rich curriculum area will be reported annually using the metrics shown below the area. Points are earned for each numbered content area. Data for reporting will be pulled from enhanced information in the state student information system and approved courses connected to standards.																																		
Rich Curriculum	Elementary	Middle	High																															
	<p>All students (100 percent) have access to Kentucky Academic Standards-based:</p> <ol style="list-style-type: none"> Visual and performing arts Health and physical education Science Social studies 	<p>All students (100 percent) have access to Kentucky Academic Standards-based:</p> <ol style="list-style-type: none"> Visual and performing arts Health and physical education Science Social studies Career exploration (including any Career and Technical Education course; and other courses that focus on essential skills) 	<p>Students have completed a course in:</p> <ol style="list-style-type: none"> Visual and performing arts Health and physical education Cultural studies and/or World Language
