Lesson Plans

Rationale for Field Trips (University of Kentucky 9/4/18)

1. What educational objective does this field trip meet for your student?
 - a. Every student attending this field trip will attend a detailed briefing on US Army ROTC scholarships and the University of Kentucky that reinforce lessons learned from Junior ROTC curriculum (Unit 3, Chapter 9, and Lesson 4 "College Preparation).
 - b. Students will gain a greater understanding of the college options, an appreciation of the University Kentucky campus and career exposure with the Army and Air Force ROTC programs.

- c. Students will be able to compare and contrast the differences between various university campuses.
2. How is this trip connected with or linked to the unit you are currently teaching in the classroom? What have you been teaching that leads to the value of this trip? Every student attending this field trip will reflect on classroom instruction and upon our previous trip to the University of Louisville main campus this past school year.
3. What instructional follow up activities will the student do upon returning from the field trip? Students will integrate their observations and lessons learned during upcoming classroom instruction.
4. How will the field trip enhance learning more than the regular classroom instruction on this topic or lesson? This field trip should provide critical information for the selection of a prospective university, motivate students to excel in their academic endeavors and assist in the college and career readiness process.
5. When did your students last attend this site? Never.
