Performance Levels: The following designations will be used to indicate the progress of a superintendent toward the seven standards and their indicators:

Exemplary: Exceeds the standard **Accomplished**: Meets the standard

Developing: Makes growth toward meeting the standard

Growth Required: Area(s) required to be addressed in the Professional Growth Plan

Standard	Exemplary 🛛	Accomplished	Developing □	Growth Required □
1. Strategic Leadership The superintendent creates conditions that result in strategically reimaging the district's vision, mission and goals to ensure that every student who graduates from high school is globally competitive in postsecondary education and the workforce, and is prepared for life in the 21st century. The superintendent creates a community of inquiry that challenges the community to continually repurpose itself by building on the district's core values and beliefs about the preferred future and then developing a vision. Standard 5. Managerial Leadership The superintendent ensures that the district has processes and systems in place for budgeting, staffing, problem solving, communicating expectations and scheduling that organize the work of the district and give priority to student learning and safety. The superintendent must solicit resources (both operating and capital), monitor their use and assure the inclusion of all stakeholders in decisions about resources so as to meet the 21st century needs of the district. Standard 6. Collaborative Leadership The superintendent, in concert with the local board of education, designs structures and processes that result in broad community engagement with support for and ownership of the district vision. Acknowledging that strong schools build strong communities, the superintendent proactively creates, with school and district staff, opportunities for parents, community members, government leaders and business representatives to participate with their investments of resources, assistance and goodwill. Standard 7. Influential Leadership The superintendent promotes the success of teaching and learning by understanding, responding to and influencing the larger political, social, economic, legal, ethical and cultural context. From this knowledge, the superintendent works with the board of education to define mutual expectations, policies and goals to ensure the academic success for all students.
