Re: School Board Attorney Contract

Dear Mr. Hamby:

Geneva and I enjoy providing legal services for the Trigg County Board of Education. The firm was first employed in 2007. The agreement when retained, was after a phase in period, that our firm would charge 90% of our current rate. The firm of Hopson and Parris would like to continue representation in 2018-2019. For the coming year we will continue our current charge of \$144.00 per hour for Geneva F. Parris and W. Howell Hopson, III. When we use legal assistants, we will charge 90% of our customary rate. I am enclosing a draft letter of representation which is a more lengthy document.

Very truly yours,

W. Howell Hopson, III  
Attorney at Law
