

**Director of Student Services
Board Report
June 2018**

Facilities:

- Security Camera installation began on June 3rd and they hope to be completed by June 15th.
- Shelter locks and new security locks for doors at Lincoln began installation on June 11th and expected completion date is June 22nd.
- Access control installation will not begin until July 9th.
- A new football scoreboard will be installed in late July at Davis Field.
- New Grease interceptor is being installed at Lincoln for Food Service.
- Summer Cleaning has started and is going really well. The custodians and summer help have been doing an excellent job.
- RFPs for Energy Performance Contract are due July 21st. We have received proposals from Schneider Electric, Energy Optimizers, and have had conversations with CMTA, Amoresco, and Deltek.

Transportation:

- Campbell Co. schools has begun inspecting our buses. This is a huge win for our district.
- Lori Frey has been hired as our new Full-time bus driver. She comes with 10 years' experience as a bus driver.
- Trips to the Aquarium, Southern Lanes, and Campbell Co. library have occurred this summer.

Student Services:

- Tracy Gentrup-Reubusch has been hired as the Families in Transition Coordinator. She will start on July 23rd.
