

June Live RED Report

District News

Family First

Family First is partnering with the Community Early Childhood Council & Livingston County Extension Services to provide an exciting new Parent Café. This project has been made possible through a sponsorship with WellCare Health. The Parent Café approach is based upon the Strengthening Families Protective Factors Framework. It involves intentional and guided conversations that are designed to build protective factors, and parental leadership. On May 21st several members of the CECC received training to support the program by becoming Table Leaders and Café Facilitators. The Parent Cafes have proven to be very successful in other areas of the county. We are excited about bringing them to our families. The first Café will be hosted at the UK Extension Office on August 30th.

The chapter received the Gold emblem rating again this year as well. Emily Padon and Jack Howard served as delegates with Aaron Denfip filling in as delegate when needed.

South Livingston

Nineteen students who had perfect attendance all year received a bicycle from our local Masonic Lodges-Smithland, Ledbetter, and Gilbertsville Lodges. There was also a drawing for two more bikes from among students who had missed no more than one day of school all year. We truly appreciate this wonderful incentive from our local lodges.

Camp Curious is underway for the Mustang Round-up Academy Summer Program. Students are engaged in a variety of educational explorations from June 4th through June 29th.

SLES staff recognized Mrs. Kim Lampley with cake, punch, and gifts on May 18th to honor her retirement. We are happy for her and know she'll enjoy her retirement.
