Re: Insurance Renewal

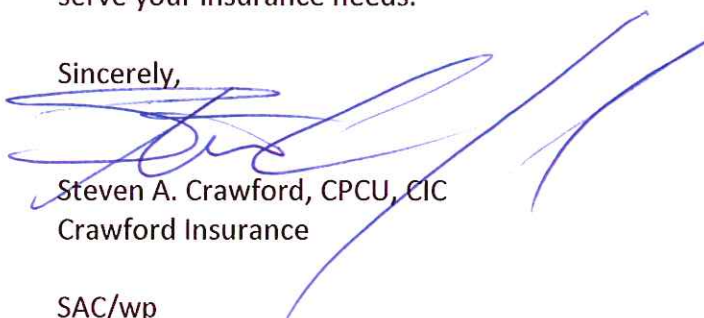

Dear Greg:

We appreciate the opportunity to continue our service to the Southgate Independent School. We take pride in being your insurance experts. We work with twenty-four schools districts in our marketing area. We use that expertise to give you the best price and coverage combination. I want to encourage you to continue to take advantage of our expertise and our loss control services to improve your schools and make them as safe as possible.

As per our review of the pricing, your renewal premium for the coming fiscal year will be \$27,043, a slight reduction over last year. The Worker Compensation Insurance will be \$4,649. We are moving this part of your coverage to Employers Mutual Insurance. As you may recall Seneca (your current worker comp insurance carrier), has pulled out of the market for schools. You will receive two invoices. One for Worker Compensation at \$4,649 and one for \$22,394 for the balance of your coverage.

If you have any questions, please don't hesitate to let me know. Thanks again, for allowing us to serve your insurance needs.

Sincerely,

Steven A. Crawford, CPCU, CIC
