Dr. Chandra Varia, Vice-Chair - District 2
Linda C. Gearheart, Member - District 1
William Newsome, Jr., Member - District 3
Rhonda Meade, Member - District 4

Date: July 5, 2018

Action/Discussion Item: South Floyd Elementary Science Position

Applicable Statutes or Regulation: BOE approval of position

Issue: Due to the Title II A money being released to the school, SBDM can redo calculator to obtain the new Science teaching position

Background: South Floyd Elementary School SBDM did not have the Title IIA funds available when completing the staffing calculator in Spring 2018. Due to the funds being released on July 5, 2018 the council has voted to redo the calculator to allow a Science teacher being added to the middle school schedule. With the new Computer science program being implemented, this will allow a teacher to dedicate their schedule to focusing on technology skills that our children need to increase critical thinking and 21st century learning.

Budget/Financial Issues: Title I

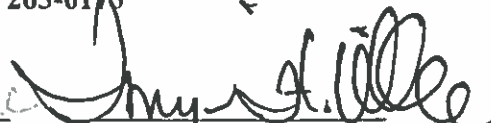

Alternative: Not expanding our science program.

Recommended Action: Council recommends the Board to approve the teaching position.

Rationale: The science position will allow for increased scheduling dedicated to the science standards and the integration of STEM.
