Subject: Capacity Building Workshop

Vivian,

I plan to take as many as 4 people with me and will pay for all of their expenses from the grant. I have discussed this with Amy and with my supervisor at GRREC. I am having a little trouble finalizing the names as most of the people I want or have been able to count on in the past have other competing obligations. As of today, I am taking the District Finance Officer. I will also probably take a Math teacher (either Trish Enlger and/or Kathy Perdue) and I have invited Mrs. Wood and or Mrs. Waters. I may also invite another subject area teacher here at the High School. If you need anything else please let me know.

Thanks, Ray
