Floyd County Board Of Education Issue Paper

Date: 7/6/2018

Action/Discussion Item: A new PE/Health Position at Betsy Layne Elementary-
Budgetary changes have allowed for the posting of a vacancy for a new PE/Health
teaching position for the 2018-2019 school year at BLES. (See *Rationale* below).

Applicable Statutes or Regulation: Bd. Policies 05.3 & 05.3 AP.1; 05.31 AP.21; 05.33

Issue: To approve a new PE/Health teaching position at Betsy Layne Elementary.

Background: Physical Education and Health are required and necessary when teaching
the whole child. Therefore, it's vital that BLES maintain this commitment to educating
our students in these areas.

Budget/Financial Issues: Budgetary changes because of the school's Title 2A allocation
has allowed for this new position.

Alternative: To not approve a new PE/Health teaching position at Betsy Layne
Elementary.

Recommended Action: To approve a new PE/Health teaching position at Betsy Layne
Elementary.

Rationale: The BLES School-Based Decision Making Council (SBDM) recently
received the school's allocation of funds for the Federal Title 2A grant for Classroom
Reduction. We've are using these funds to re-classify a point-7 of the salary of an
elementary position from Section 4 to Title 2A. This budgetary change has now allowed
for the posting of a vacancy for a PE/Health teaching position for the 2018-2019 school
year.
