

Southgate Independent School District

Counselor's Report

July 2018

- **Me and My School:** Ms. Weber has taught the social skills program "Ready to Learn" to the incoming kindergarteners once a week during the MMS program. The program has had a great turnout and the kids are responding well to the counseling lessons. She plans to chaperone the students' field trip to the museum center on July 25.
- **Professional Development:** Ms. Weber will attend the SRCL Grant Summer Kick-off Event in Louisville on July 18. She will attend a "Trauma Informed Practices" training in Lexington on July 23-24.
- **Office Renovation:** The wall in Ms. Weber's office is complete, and she and Mrs. Watson will be reorganizing the space to prepare for the start of school.
- **New Programs:** Ms. Weber has purchased a variety of new classroom guidance and small group programs. The new materials cover topics like bullying, suicide prevention (middle school), and self-control (primary).
