RE: Item for July Board Agenda – Student Teaching Agreements

Attached please find Student Teacher Agreements for some of the universities and colleges listed below. Those agreements not attached may roll into the HR office in upcoming months. They would like to place teacher education students in Bullitt County Schools for student teaching experiences, clinical experiences, and/or field placements for the 2018-2019 school year.

I recommend that we enter into these agreements as we partner to build strong teachers for our students. Please contact me if you have any questions or concerns.
