Lisa,
I have a donation item for the agenda of $2,000 from the BE Athletic Boosters to go towards the BEHS Baseball dugout and locker room project.

First of all, is it necessary to list a donation from the Boosters for a building project that was approved in May 2017 that stated the BEHS Athletic Boosters would be funding the $46,768 project?

Do you know if the project is still on-going or if they had completed what was originally set out in the plans and now this is another expansion?

Thanks.
Betsy

It is still a donation and should be presented to the board. I'll check on the process of this project and let you know.
