## Issue Paper

Date: July 11, 2018

Action/Discussion Item: Create the following positions for Prestonsburg Elementary School: 1.0 Primary Teacher and .5 Assistant Principal.

Applicable Statutes or Regulation: The Board of Education is the only entity entitled to create positions by Board Policy. Chapter 1 – Powers & Duties of the Board/Board Policies related to certified hiring and posting.

Issue: Prestonsburg Elementary School has received additional Title IIA money. This money may primarily be used for certified staffing and/or Professional Development. On July 11, 2018, The PES SBDM Council recommended the creation of 1.0 Primary Teacher and .5 Assistant Principal.

Background: The primary teacher will allow PES to not only reduce class size but also provide a certified RTI person to assist students who are struggling. The creation of the .5 Asst. Principal will allow for additional assistance and leadership in the areas of curriculum, instruction, assessment and attendance.

Budget/Financial Issues: No financial issues for the District. The primary teaching position will be funded solely from Title IIA. The .5 Asst. Principal position will be funded from Section 4. This will necessitate the movement of .5 position from Section 4, to Title IIA and Title I. No impact on the district. This money has already been designated for use at Prestonsburg Elementary.

Recommended Action: Approve the creation of 1.0 Primary Teacher and .5 Assistant Principal for Prestonsburg Elementary based upon the recommendation of the SBDM Council and the additional funding received by Prestonsburg Elementary after the original allocation process was completed in April.
