JENKINS INDEPENDENT SCHOOL DISTRICT
DISTRICT FACILITIES PLAN HEARING REPORT*

A public hearing was held at the Jenkins Independent High School Library on May 3, 2018, at 6:30 pm eastern time. The purpose of the public hearing was to propose a new District Facility Plan developed by the Jenkins Independent Local Planning Committee. The Local Planning Committee (LPC) voted 8-0 in favor of the proposed new plan and the Board voted 5-0 to approve the new plan.

There was one person at the hearing exclusive of the hearing officer individual in attendance. Mike Genton, Superintendent, served as the locally-appointed hearing officer. Present at the meeting were eight LPC Members (as memorialized on the attached sign in sheet), plus the district architect, Mike Sparkman.

COMMENTS

Mike Genton called the public hearing to order. The hearing officer outlined the purpose of the hearing and the hearing procedures in accordance with 702 KAR 1:001. It was explained that those persons wishing to speak would be given the opportunity and that written statements would be accepted. All considerations will be made available to the Kentucky Board of Education via the hearing officer's report. The hearing officer read the proposed new District Facility Plan which includes major renovations to Burdine Elementary School and the Middle / High School buildings. Significantly, the new plan calls for changing the status of both buildings from "transitional" to "permanent".

The floor was opened to those who wished to make a statement. No comments were received from the public.

RECOMMENDATIONS

It is recommended that the new District Facility Plan developed by the Jenkins Independent Local Planning Committee and adopted by the Jenkins Independent Board of Education be approved as the District Facility Plan for the Jenkins Independent School District. A copy of the new plan is attached.

Respectfully submitted,

Mike Genton, Hearing Officer
