SECTION 1. INTRODUCTION

The Breathitt County Board of Education (*hereinafter referred to as the **Board***) requires high standards of personal conduct from each student to promote respect for the rights of others and to accomplish the purposes of the schools. The Board also requires compliance with established standards and rules of the district and the laws of the community, state and nation. In accordance with KRS 161.190, whenever a teacher or school administrator is functioning in his capacity as an employee of a board of education of a public school system, it shall be **unlawful for any person (including students and parents/guardians of students)** to direct speech or conduct toward the teacher or school administrator when such person knows or should know that the speech or conduct will disrupt or interfere with normal school activities or will nullify or undermine the good order and discipline of the school.

The central purpose of the school system is to educate each student to the highest level possible. To support the success of the educational program, the Board directs employees to hold each student accountable to the standards of the Code for Acceptable Behavior and Discipline (*hereinafter referred to as the **Code***) in a fair manner. Compliance with the standards is necessary to provide:

1. Orderly operation of the schools
2. A safe environment for students, district employees and visitors to the schools
3. Opportunities for students to achieve at a high academic level in a productive learning environment
4. Assistance for students at risk of failure or of engaging in disruptive behavior
5. Regular attendance of students
6. Protection of property

This Code applies to all students in the District while at school, on school property, on their way to and from school, while on the bus or other District vehicle, and while they are participating in school-sponsored trips and activities. School property means any public school building, bus, public school campus, grounds, recreational area, or athletic field in the charge of the Principal. The Interim Superintendent/designee is responsible for its implementation and application throughout the District. The Principal is responsible for administration and implementation of this Code within his/her school in a uniform and fair manner without partiality or discrimination.

Each school/council must select and implement appropriate discipline and classroom management techniques necessary to carry out this Code and shall provide a list of the school's rules and discipline procedures in the school handbook. Teachers and other instructional personnel are responsible for administering the Code standards in the classroom, halls, and other duty assignment locations.

This Code establishes District behavior standards. Recognizing that each school, grade or class may require special provisions, school councils, administrators and teachers have full authority to make rules to enforce these standards in keeping with their areas of responsibility.

SECTION 2. CODE FOR ACCEPTABLE BEHAVIOR AND DISCIPLINE REFERENCE DOCUMENTS (BOARD POLICY 09.42)

Below is a listing of Policies, Handbooks, Plans, Records, Statutes, and Regulations that are incorporated into and made a part of this Code by reference.

1. Other Board of Education policies and procedures
2. School Council policies
3. School handbooks
4. The District's Safety Plan
5. Student records information (Family Education Rights and Privacy Act – FERPA)
6. The District's special education policy and procedures
7. Kentucky Revised Statutes
8. Kentucky Administrative Regulations
9. Federal laws and Regulations
10. Attorney General's Opinions

This Code is part of the Board's policy on student behavior and discipline. After this Code is distributed for the school year, changes to Board policy, including those affecting provisions of this Code, may be necessary due to new/revised statutes, regulations, and/or case law.

A complete copy of the policy manual is available for inspection at each school and at the Central Office.

Students in Breathitt County Schools are provided the right to an education in the public schools. The United States Supreme Court has held that a student may not be deprived of the opportunity to a public education without good cause in which procedural due process is observed. It is the responsibility of each student to behave in a manner that does not threaten, interfere with, or deprive other students of their right to an education. Behavior that detracts from a student's ability to profit from instruction or that infringes upon the rights of others warrants disciplinary action. The intent of disciplinary actions should be to bring about a positive change in the student's behavior.

Professional judgment, devoid of anger or negative emotions on the part of the staff member, shall be used when determining the appropriate disciplinary action to be taken. In general, the concept of fitting the punishment to the seriousness of the violation of the rules shall apply at all levels. The student's right to due process procedures must be respected, especially in instances when possible suspension, expulsion or removal of the student is involved.

This Code shall be mandatory and enforced in a fair and equitable manner, without regard for race, color, national origin, age, religion, marital status, gender, or disability in all Breathitt County schools and at all school-related trips.

The authority of the District in matters of student behavior is not limited to school buildings and grounds or to times when the student is on his/her way to or from school but extends to any activity that is school-related.

This Code, on adoption by the Board, shall be furnished to every Principal, faculty member, staff member, parent, and student. The Principal in each school shall post, in a conspicuous place, a copy of this Code and a notice informing anyone entering the school where a copy of this Code may be obtained. It is the responsibility of all parents, students, and District personnel to become familiar with this Code.

Teachers and all school personnel shall be provided orientation of the Code each school year during a pre-school in-service program.

The Code shall be presented to all students in assembly meetings by the Principal and/or in homerooms by teachers in order to clarify the contents. These presentations will occur during the first week of the school year. Whenever a new student enrolls, the guidance counselor, or other school personnel as directed by the Principal, shall present the student and his/her parent(s)/guardian(s) with a copy of the Code and explain the contents with the student and the student's parent(s)/guardian(s).

The Principal/designee shall provide appropriate arrangements for all non-English speaking, blind, deaf, or non-readers to become familiar with the rights and responsibilities as specified in this Code.

SECTION 3. DISTRICT ATTENDANCE POLICY (BOARD POLICY 9.123)

Absences and Excuses

Pupils are required to attend regularly and punctually the school in which they are enrolled. Recording of absences and tardies shall be made in compliance with the requirements of [702 KAR 007:125](#).¹

TRUANCY DEFINED

Any student who has attained the age of six (6), but has not reached his/her eighteenth (18th) birthday, who has been absent from school without valid excuse for three (3) days or more, or tardy without valid excuse on three (3) days or more, is a truant.

Any student enrolled in a public school who has attained the age of eighteen (18) years, but has not reached his/her twenty-first (21st) birthday, who has been absent from school without valid excuse for three (3) or more days, or tardy without valid excuse on three (3) or more days, is a truant.

Any student who has been reported as a truant two (2) or more times is an habitual truant.

For the purposes of establishing a student's status as a truant, a student's attendance record is cumulative for an entire school year. When students transfer from one Kentucky district to another, attendance information from the previous district shall become part of their official attendance record for that school year.

EXCUSED ABSENCES

An excused absence or tardiness is one for which work may be made up, such as:

1. Death or severe illness in the pupil's immediate family,
2. Illness of the pupil,
3. Religious holidays and practices,
4. One (1) day for attendance at the Kentucky State Fair,
5. Documented military leave,
6. One (1) day prior to departure of parent/guardian called to active military duty,

9. Ten (10) days for students attending basic training required by a branch of the United States Armed Forces, or
10. Other valid reasons as determined by the Principal, including trips qualifying as educational enhancement opportunities.

Students receiving an excused absence under this section shall have the opportunity to make up school work missed and shall not have their class grades adversely affected for lack of class attendance or class participation due to the excused absence. Students shall have the same number of days excused to make up the missed work. It is the responsibility of the student to meet with teachers to get missed assignments.

A student who is participating in a school-related activity during school hours shall not be counted absent. However, the student shall be required to make up any assignments missed.

EDUCATIONAL ENHANCEMENT OPPORTUNITIES

Kentucky law specified that a student may be considered for an excused absence if the absence is deemed as an Educational Enhancement Opportunity. The following procedures will be followed to request approval:

1. Requests shall be submitted to the building Principal prior to the absence for consideration;
2. The proposed activity must have significant educational value, be intensive in nature and be directly related to the core subjects of English, Science, Mathematics, Social Studies, Foreign Language and/or Fine Arts;

3. A student may be approved up to ten (10) days per school year;
4. **A student with three (3) or more unexcused absences will not be granted an Education Enhancement Opportunity;**
5. The building Principal shall use his/her judgment whether the request meets the criteria for approval;
6. Students will not be penalized academically for days approved as Educational Enhancement Opportunity;
7. Students shall be responsible to make arrangements with their teachers for all missed assignments;
8. Requests will not be approved during the K-PREP assessment window and/or the district-wide assessment window; and
9. A Principal decision may be appealed to the Superintendent and then to the Board.

NOTES REQUIRED

All absence days and tardies will be considered unexcused until the appropriate documentation is provided to the school. These notes must be turned in within three (3) days after the absence or tardy. If the note or documentation is not received within three (3) days, the absence day/tardy will remain unexcused.

Parent Notes: A student returning to school after an absence must bring a note within three (3) days signed by his/her parents or guardian. Three (3) parent or guardian notes are accepted for excuse for each semester.

Health Care Provider Notes: A student who is absent due to illness and goes to the doctor shall within three (3) days of return to school present the health care provider's statement. The following information is required on the excuse statement:

- 1) name of health care provider;
- 2) date and time of appointment;
- 3) date student can return to school;
- 4) health care provider's signature.

NOTES REQUIRED (CONTINUED)

Up to ten (10) days per school year may be excused with a health care provider's note. Any absence or tardy day due to medical reasons in excess of ten (10) health care provider's notes will require the presentation of the Medical Excuse form before the absence will be excused. **After ten (10) days of absence/tardiness in a school year for medical reasons, the Medical Excuse form shall be completed in order for the student to receive additional medical excuses.** The Medical Excuse form is available at each school, the office of the Director of Pupil Personnel, on the official District website and at parent request at some medical facilities. Medical reasons after ten (10) absence or tardy days will be excused ONLY if the Medical Excuse form is presented.

SCHOOL HANDBOOKS

Each school handbook shall include specific attendance requirements.

UNEXCUSED ABSENCES

Work missed during unexcused days may be made up at the discretion of school administrators. Any absence due to an appointment that exceeds a half-day will be counted as unexcused unless otherwise provided for by a parent or health care provider note.

Students with six (6) or more unexcused days shall be ineligible for extracurricular activities (i.e. athletics, field trips, academic competitions, dances, and prom).

Transfers from one (1) public high school to Breathitt High School will be granted an exception of three (3) school days for moving and travel. Senior attendance is based on a full year enrollment and official withdrawal from school cannot be used as an avenue to circumvent the six (6) day unexcused day rule.

SECOND CHANCE OPTION

In order to earn back participation in extra-curricular activities (prom, sports, senior trip, driving privileges, etc.), students must maintain an attendance rate of 100% for the remainder of the year; meaning no more unexcused absences or unexcused tardies for the remainder of the school year. A student's ability to participate in extra-curricular activities referenced above will be monitored weekly. Extenuating circumstances will be reviewed on a case-by-case basis. The student's prior school years attendance may be taken into consideration. **The Principal/designee will monitor and make the final decision.**

SUSPENSION

Projects or homework assigned prior to suspension shall be accepted for credit. Students shall be responsible for submitting assignments due during the time of the suspension.

Long-term projects assigned during the suspension and due at a later date shall be accepted. Work assigned and due during suspension shall be required to be completed.

Suspensions will be considered unexcused days.

SECTION 4. RELEASE OF STUDENTS (BOARD POLICY 09.1231)

1. No student shall be dismissed early from school without a **parent or guardian's signature**.
2. When the student is being picked up, the parent/guardian or parental designee shall report to the Principal's office. **Anyone** picking up a student must show proper **picture** identification to the Principal or his/her designee before leaving school with the child.
3. **Exception:** A student may be released to a person with lawful authority to take custody of the student, e.g., a police officer with a warrant or a police officer who has been contacted by school personnel to remove the student from the school property. In such case, the student's parent shall be notified at the earliest opportunity.

Section 5. TRUANCY DIVERSION PROGRAM (Board Policy 09.123)

A truancy diversion program will be implemented at and BHS. The purpose of this program is to help students and families develop good attendance habits in order to enhance their success in school. This program will be administered by the Breathitt District Court Judge, Court Designated Worker, Director of Pupil Personnel, Principal, Counselor, Youth Service Center Coordinator and any other additional school personnel as may be necessary.

The truancy diversion program will consist to the following procedures:

Pre-Compliant Procedure

Students who are truant, meaning absent or tardy without a valid excuse for three (3) or more days, will be placed in the truancy diversion program. The student and his/her parent/guardian will attend a conference. The review, team consisting of the Court Designated Worker, Director of Pupil Personnel, Principal, Counselor, Youth Service Center Director, and any other necessary school personnel, will meet with the student and his/her parent/guardian to provide information about the legal requirements regarding truancy and habitual truancy, the purposes, procedures, and expectations of the truancy diversion program and the academic, attendance and disciplinary records of the student. The team will also identify any problems the student may be having which may be attributing to the student being truant.

Once a student has participated in the Truancy Diversion Program, the school staff and DPP will monitor the student's attendance. **Upon the 6th unexcused event, the student can be charged with truancy with the Court Designated Worker.** At that time, the CDW will contact the student and his/her parents/guardians to attend a meeting with him/her to discuss the requirements for the diversion program. If the CDW at any point during the diversion rules that the diversion has been unsuccessful, the student will then be sent to the Family Court Judge.

Students who drive on campus shall have their driving privileges terminated. Principals shall report promptly to the local police department, sheriff, or Kentucky State Police if they have reasonable cause to believe that conduct has occurred which constitutes the use, possession, or sale of controlled substances on the school premises or within 1,000 feet of school premises, on a school bus, or at a school sponsored or sanctioned event.

Please refer to the Board Policy (9.423) for consequences of violations to this policy.

Students who engage in harassment/discrimination of an employee or another student shall be subject to disciplinary action including but not limited to suspension and expulsion. If a student does any damage to the school bus, the parents or guardians may be held responsible for restitution of any damages, beyond normal usage, inflicted by their child.

STUDENTS WITH DISABILITIES

Students with disabilities who exhibit inappropriate conduct shall be managed in accordance with their Individual Education Plan (IEP) and the legal obligations and standards adopted by the Board.

DISCHARGE FROM BUS

Drivers are in charge of their buses with their first priority being the safe transport of students. If any students are behaving in a threatening or violent manner or in such a way as to endanger the safety of other students on the bus, the driver is authorized to order the offending pupils from the bus. In the event a pupil is discharged for disciplinary reasons, the driver shall make every effort to do so near a house or open business establishment. At the first reasonable opportunity, the driver shall notify the Principal of the school where the student attends or the Superintendent and the student's parent or legal guardian.

WITHHOLDING OF RIDING PRIVILEGES

The Principal is authorized to withhold bus-riding privileges up to a maximum of ten (10) school days per occurrence in the case of habitual or serious conduct violations. The Principal shall notify the parents/guardians in cases where bus-riding privileges have been withheld.

The Superintendent or the designee of the Superintendent may withhold bus-riding privileges up to the remainder of the school year.

BUS EVACUATIONS – Evacuation drills will be conducted in accordance with state law. **Any time a student is suspended from the bus, the parent/guardian is responsible for transporting or making arrangements for transporting the student to and from school.** Any student not attending school, as a result of being suspended from the bus, may have truancy charges filed against him or her in juvenile court.

SECTION 13. NO PASS NO DRIVE (Board Policy 09.4294)

Students who are sixteen (16) or seventeen (17) years old who become academically deficient or deficient in attendance shall be reported to the Transportation Cabinet for driver's license, permit or driving privilege revocation. A student shall be deemed academically deficient if they have not received passing grades in at least four (4) courses, or the equivalent of four (4) courses, in the preceding semester. The student shall be deemed deficient in attendance when they drop out of school or have accumulated nine (9) unexcused absences. Suspensions shall be considered unexcused absences.

To have the driving privileges reinstated, the students must apply to the Director of Pupil Personnel to have their standing confirmed once they meet the statutory standards. The District shall make the required report to the appropriate agency.

SECTION 14. STUDENT SEARCHES (BOARD POLICY 09.436)

Students have the right to be protected from unreasonable searches of their person and their property. However, school authorities are authorized to search a student if they have reasonable suspicion that the search will reveal evidence that the student has violated or is violating either a school rule or the law. Search of a student's person shall be conducted only with the express authority of the Principal. School authorities also have the right to regularly inspect school property, such as lockers, desks, and network systems, technology resources, and accounts owned or supplied by the District. If a student fails to cooperate with school authorities when a search is requested, they shall be subject to other disciplinary action.

All searches will be conducted in accordance to board policy.

The KSP Canine unit may visit any of the schools at any time to conduct a routine walk through.

SECTION 15. BEHAVIOR VIOLATIONS (BOARD POLICY 09.4 AND 09.42)

Code of Acceptable Behavior and Discipline The Breathitt County Board of Education requires high standards of personal conduct from all students and embraces the concept that each student shall respect the rights of others and abide by the administrative procedures of the school district and the laws of the community and state.

Discipline problems are less likely to occur in classes which are well taught and which maintain a high level of student interest and expectation. However, teachers have the authority and responsibility to use reasonable methods to maintain classroom control without having to refer students to the school principal. The Interim Superintendent/designee shall be responsible for overall implementation and supervision of the Board's Code of Acceptable Behavior and Discipline, and each Principal shall be responsible for the administration and implementation of the Code within each school. The Principal shall apply the Code uniformly and fairly to each student without partiality or discrimination.

The SBDM and Principal of each school shall set school policy concerning the selection and implementation of appropriate discipline and classroom management techniques necessary to carry out the Code. Students at different ages and grade levels are expected to assume varying degrees of responsibility for their actions. Therefore, different disciplinary measures have been developed to reflect different levels of maturity and self-discipline. In determining the appropriate disciplinary option, consideration needs to be given to the number of times a student has had to be disciplined and how many times a particular option has been used. **Repeated violations may require more severe consequences.**

Special Education Students – In cases involving students with disabilities, the procedures mandated by federal and state laws, and the students' Individual Education Plan, will be followed.
