

North Hardin High School School
SENATE BILL 168
ACHIEVEMENT GAP REDUCTION TARGET

The North Hardin High School Council has reviewed and accepted the Achievement Gap Target recommended from the school curriculum committee. The council has accepted the recommendations below based on this data.

The subgroup below currently demonstrates a substantive achievement gap when compared to their counterparts:

Students approved for free and reduced lunch.

The North Hardin High 2008-2009 School Council has established a target for the 2010 CATS Assessment as indicated below

CONTENT AREA	SUB-GROUP WITH SUBSTANTIVE GAP	AVERAGE SCALE SCORE OR PERFORMANCE LEVEL	COMPARISON POPULATION	AVERAGE SCALE SCORE OR PERFORMANCE LEVEL	DIFFERENCE	2010 GOAL
Math	Students approved for free and reduced lunch	Scale score 1128	Students not approved for free and reduced lunch	Scale score 1137	-9	Our goal as a school is to decrease the average scale score gap between the mentioned subgroup and its comparison population.

We respectfully ask that this target be approved and recommended to the board of education for adoption.

Sincerely,

Bill Dennison

Principal And School Council Chairperson
