Dear Randy:

Thank you for renewing your membership with the Northern Kentucky Chamber of Commerce. As we approach our 50th anniversary in 2019, we are reminding everyone why we exist: to improve our collective economy resulting in a better quality of life for all. With your support, we will continue working hard to do just that.

Our leadership programs, events and advocacy efforts have all been aligned to have a positive economic impact on our region.

Here are a few recent examples of our efforts:

- As a result of the NKY Chamber's advocacy efforts, the price of gasoline at the pump has been reduced due to the repeal of reformulated gasoline in Boone, Kenton and Campbell counties as of July 1, 2018. The result will collectively save our region over \$40 million next year alone!
- Our advocacy efforts also helped Kentucky's business tax climate rise 15 spots in 2018, from 33rd to 18th, which will lead to more economic development and job creation in our region. Compared to the rest of Kentucky and the U.S., Northern Kentucky has the LOWEST unemployment rate, the HIGHEST labor force participation rate, and a HIGHER median household income. None of this would be possible without a strong NKY Chamber.
- We offer outstanding programming which is available to you and your employees including: the small business academy, Eggs 'N Issues, Pints & Perspectives, HR 100, Women's Initiative, NKITA, Regional Youth Leadership, Leadership NKY and Government Forums.
- We have added a wide variety of NKY Chamber discount programs that will save you money on everything from health insurance to office supplies. These offerings add up to real savings, so don't delay.

I personally want to say thank you for your continued membership and to encourage you to become more involved by attending our events and/or serving on a committee. **Remember, if you can't personally serve or attend, your company's membership extends to all employees.**

With your support, the NKY Chamber will continue to lead the way in making Northern Kentucky the best place to live, work, play and raise a family. Thank you again for investing in the NKY Chamber.

Sincerely,

Brent Cooper, President & CEO
