The following BCPS bus drivers are requesting a reduction of their contracts by four days for the 2018-2019 school year. They are asking that four planning days be removed from their contracts: January 3, January 4, March 11, and April 8,

By way of this request to the Board, these employees signify that they are aware and accept any ramifications to their CERS retirement account.

I recommend approval of the requests to reduce their contracts for the 2018-2019 school year. If you have any questions or suggestions, please feel free to contact me.
