What Outstanding Work (W.O.W.) Award

Stephanie Collins

Caywood Elementary

I would like to nominate Stephanie Collins. She teaches Music at Caywood Elem. Stephanie was a part of the ESY program at White's Tower during the summer. She was very helpful to my monitor and me by helping with students on our bus. She would sit with one particular student until we could secure said child. She was very patient with us, as we had to secure three wheel chairs many times before securing the child. She was a blessing. She also shared an accomplishment of her own, which I thought was very cool and brought a tear to my eye. She was able to sing to some of the students and they were able to fill in a word when she stopped singing! That is amazing how she also shared her craft with these very special children! Thank you so much Stephanie
