

## **Governor's School for Entrepreneurs**

GSE will help you answer the questions of what it takes and where to begin to start a company. In the 3 weeks at GSE you'll be exposed to experienced entrepreneurs, startup tools, funding, pitch competitions, emerging technologies, and scholarships. GSE Entrepreneurs are eligible for a host of scholarship opportunities offered by colleges and universities around the state. GSE Entrepreneurs spend around 145 hours working on their businesses and pitch presentations. Each summer there are a variety of prominent Entrepreneurs who share their stories, lessons and advice in personalized sessions.
