

WCHS Girl's Lacrosse Team, State Championship

The Woodford County High School Girl's Lacrosse team beat Scott County 15-9 to win the state championship on May 12, 2018. The team went undefeated in league play, only losing on the a state game to a Louisville team - North Oldham, the first game of the season. The also played against an Ohio team and three teams from Tennessee. They were able to hold one of the Tennessee teams to a lower score than other opponents that team had had. The WC lacrosse team have many freshman with a few upper classmen. Two of the WC lacrosse players have over 100 points each. They ranked 11th in the state overall according to MaxPreps, only behind top Louisville teams. We are ranked #1 offensively in the state, #4 for defense and 3rd for our net averages all according to lax power.

They were coached by first year coach at WC Haven Buckner with help from Jeffrey Faulkner (first year Offensive Coordinator for the girl's team)
