RE: Board Agenda Item – Declare Items Surplus

The Department of Facilities is submitting the following items to be declared surplus.

- John Deere Z-Trak 50" mower SN# TC820AG010081
- Bad Boy 61" mower SN# BBX7236BS07121003

In 2015, the district began outsourcing trimming services and these mowers are no longer used by the district. We have one mower that we will keep on standby if we ever need to use it. These items will be sold on August 25th at the district auction.

I recommend the Board's approval to declare the items as surplus.
